

TJSWCD EQUINE CONSERVATION PROGRAM

APPLICATION PROCESS

Step One:

FILL OUT & RETURN QUESTIONNAIRE

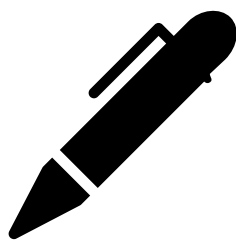

All interested applicants **MUST** complete a program questionnaire (found on our website). Completed questionnaires should be sent to lisa.hyatt@tjswcd.org

Step Two:

SCHEDULE A SITE VISIT

In order to be eligible for funding all applicants must schedule a site visit with a member of our staff by **January 31st, 2019**. During the site visit we will discuss your goals and program options.

Step Three:

REVIEW PROJECT PROPOSAL & SIGN OFFICIAL APPLICATION

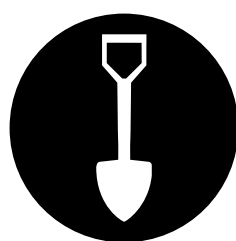

After the site visit, our staff will draft a design and cost estimate for your specific project. If you intend to move forward and request grant funding you will need to sign an official application by **March 29th 2019**.

Step Four:

PROJECT APPROVAL DECISION

The TJSWCD Board of Directors will award funding to projects based on water quality improvement and educational opportunities at their **April 24th 2019** meeting.

Step Five:

BEGIN CONSTRUCTION

After receiving approval for funding you may gather estimates from contractors and begin construction. Our staff will need to review design specifications with your contractor before they begin work.
